

**NCCCFA Faculty-Student Rally  
for Adequate Community College Funding**

**Wednesday, June 20, 4:00 p.m.**

**Portico of the Legislative Office Building,  
on the corner of Lane Street and Salisbury Street, Raleigh, NC**

**The Legislative Office Building is behind the Legislative Building  
on the grassy mall. The rally will be held outside the third-floor lobby of the  
building.**

**Please plan to arrive early to allow time for parking and walking to the rally site.**

**It's important that you be at the rally site by 4:00 because the media usually stay  
only about 15 minutes,**

**and we need as large a group as possible to be there when the cameras are rolling .**

**Parking near the Site of the Rally at the Legislature**

There are three public parking lots within walking distance of the legislature.

**Lot between McDowell and Salisbury Streets**

The public parking area closest to the Legislative Office Building (LOB) is a parking deck between McDowell Street and Salisbury Street, just north of Lane Street. Drive north on McDowell Street. A hundred feet past the intersection of Lane Street, turn right into the State Government Parking Lot. The parking deck is white concrete with red railings. Park in the Visitors' Area. Don't park in the numbered spaces.

Walk through the parking lot to the Salisbury Street side. When you get out to Salisbury Street, you will see the LOB across Salisbury diagonally to your right. Turn right (south) on Salisbury Street, and walk to the corner of Lane and Salisbury. Walk up the exterior steps of the LOB, and you'll be at the site of the rally.

### **Lot on the Corner of Jones and Wilmington Streets**

The next closest lot is on the corner of Jones Street and Wilmington Street, diagonally across from the southeast corner of the Legislative Building. Drive east on Jones Street past the Legislative Building. Cross Wilmington Street, and take the first right into the parking lot. Don't park in the numbered spaces.

To get to the rally site from this parking lot, walk north on Wilmington Street one block, and cross Lane Street. Walk alongside the pink marble Education Building to the grassy mall behind it. The site of the rally, the portico of the Legislative Office Building, is directly across the grassy mall from the Education Building.

### **Lot on the Corner of South McDowell and Morgan Streets**

The third lot is about four blocks from the legislature. It is in the 100 block of South McDowell Street. Drive north on South McDowell Street till you pass the intersection of Hargett Street. Turn right into the public parking lot before you get to the next intersection, Morgan Street. The parking lot is on the corner of South McDowell and Morgan Streets.

To get to the rally site from this parking lot, walk north on McDowell Street four blocks. Turn right (east) on Lane Street, and walk one block to the Legislative Office Building on the corner of Lane and Salisbury streets. Walk up the exterior steps of the LOB, and you'll be at the site of the rally.

If for some reason all the parking lots are full, you can find on-street parking by driving east on Jones Street three or four blocks into a residential area. If you go far enough east, there won't be any parking meters to worry about, and you can park for free.

Below are driving directions to the NCCC System Office and to the parking deck between McDowell and Salisbury streets, which is also the parking deck closest to the NCCCFA Rally site at the Legislative Office Building on the corner of Lane and Salisbury Streets.

North Carolina Community College System  
The Caswell Building  
200 West Jones Street  
Raleigh, North Carolina  
919-807-7100

The Caswell Building is a six-story red brick building on the northwest corner of West

Jones Street and North McDowell Street in the state government complex in downtown Raleigh. It is one full block west of the Legislative Building, adjacent to the Administration Building.

Please park in the Visitors' Area of the State Government Parking Lot on McDowell Street or in metered spaces on the street. The parking deck at McDowell and Lane is open from 8 a.m. until 5 p.m. Monday through Friday. (You will still be able to exit the parking lot after 5:00 p.m.) There is a small hourly charge.

The Department of Environmental and Economic Resources maintains an [excellent map of the state government area of downtown Raleigh](#). Buildings are listed alphabetically.

**Directions from the east, driving Interstate 40:**

Take I-40 West to the Person Street exit.

Follow Person Street north into downtown.

Turn left onto Edenton Street and drive past the historic Capitol.

Turn right onto McDowell Street.

The Caswell Building is on the left at the corner of McDowell Street and West Jones Street. To reach the visitors' parking deck, continue north on McDowell Street through the intersection with Lane Street, then turn right into the deck.

**Directions from the east, driving US 64:**

US 64 becomes Edenton Street heading into downtown.

Past the historic Capitol, turn right onto McDowell Street.

The Caswell Building is on the left at the corner of McDowell Street and West Jones Street. To reach the visitors' parking deck, continue north on McDowell Street through the intersection with Lane Street, then turn right into the deck.

**Directions from RDU and points west, driving Interstate 40:**

Take I-40 East through the Research Triangle Park.

Take Exit 289 onto Wade Avenue. Stay on Wade Avenue six miles.

Take the Civic Center/70 East/50 South exit to Capital Boulevard.

Get in the far left lane on Capital Boulevard as you head to downtown.

Turn left at the second light onto West Jones Street.

The Caswell Building is the third building on the left, at the corner of West Jones and McDowell. Park in metered spaces on the street or in the State Visitors lot one block north, at the corner of Lane and McDowell. To reach the lot, turn left onto McDowell Street from Jones, get in the far right lane, cross Lane Street and turn right into the deck.

**Directions from the west, driving US 70/Crabtree Valley Mall/Glenwood Avenue:**

US 70 becomes Glenwood Avenue coming into Raleigh.

Follow Glenwood into downtown Raleigh.

Turn left onto West Jones Street; there's a flashing light at the intersection.

The Caswell Building is several blocks down on the left, at the corner of Jones and McDowell.

Park in metered spaces on the street or in the State Visitors lot one block north, at the

corner of Lane and McDowell. To reach the lot, turn left onto McDowell Street from Jones, get in the far right lane, cross Lane Street and turn right into the deck.

**Directions from the south, driving US 1:**

Take US 1 north past Cary to Raleigh.

Exit onto Wade Avenue going into town.

Stay on Wade Avenue six miles.

Take the Civic Center/70 East/50 South exit to Capital Boulevard.

Get in the far left lane on Capital Boulevard as you head to downtown.

Turn left at the light onto West Jones Street. The Caswell Building is the third building on the left, at the corner of West Jones and McDowell.

Park in metered spaces on the street or in the State Visitors lot one block north, at the corner of Lane and McDowell. To reach the lot, turn left onto McDowell Street from Jones, get in the far right lane, cross Lane Street and turn right into the deck.
